

2010 is off to a flying start, and ASHHRA has hit the ground running as well. Early in the year we had a Regional Consultant Orientation, and we have monthly Regional Consultant conference calls. I've filed my first Region 5 quarterly report for 2010. The Chapter Leadership Conference being held in Chicago on June 2-4 is the focus of our attention now, as well as the Chapter Awards for 2009. I want to pass along some important information to help you out in planning your year as well.
