12. Chapter Membership Diversity

- Chapter develops and implements membership diversity initiative to promote an inclusive program. This includes not only ethnic and cultural diversity, but diversity from within the healthcare industry at-large (i.e. long-term care, medical group management, home health, healthcare vendors and other partners, etc.)

Documentation Required: Copy of Chapter membership diversity program and measured results. Copy of specific outreach efforts (i.e. copies of membership invitation letters/emails sent to area healthcare organizations).

Contact chapter for details.
