The Positive Pledge

I pledge to be a positive person and positive influence on my family, friends, co-workers and community.

I promise to be positively contagious and share more smiles, laughter, encouragement and joy with those around me.

I vow to stay positive in the face of negativity.

When I am surrounded by pessimism I will choose optimism.

When I feel fear I will choose faith.

When I want to hate I will choose love.

When I want to be bitter I will choose to get better.

When I experience a challenge I will look for opportunity to learn and grow.

When faced with adversity I will find strength.

When I experience a set-back I will be resilient.

When I meet failure I will fail forward towards future success.

With vision, hope, and faith, I will never give up and will always move forward towards my destiny.

I believe my best days are ahead of me, not behind me.

I believe I'm here for a reason and my purpose is greater than my challenges.

I believe that being positive not only makes me better, it makes everyone around me better.

So today and every day I will be positive and strive to make a positive impact on the world.
