

# AHA Solutions is Your Complete Resource

As a division of the American Hospital Association (AHA), the leading advocate for the nation's hospitals, AHA Solutions is committed to helping health care providers achieve the highest levels of operational performance and deliver the best possible care to patients and communities. Through our robust variety of services, we provide hospitals with field leadership, education and conduct comprehensive research to identify high-value products and services that address the most critical health care delivery challenges. Upon completion of our AHA Signature Due Diligence Process™, we award our exclusive AHA Endorsement to those solutions demonstrating outstanding commitment to health care, dedication to hospitals in their pursuit of excellence and leadership in all selection criteria. The AHA currently endorses a comprehensive set of HR solutions, which are listed in detail below.
