ASHHRA Presents 2016 Regional Consultants

CHICAGO – December 15, 2015 – The American Society for Healthcare Human Resources Administration (ASHHRA), a personal membership group of the American Hospital Association (AHA), announces recently elected 2016 regional consultants for regions 1, 3, 5, 7 and 9. They will begin their tenure January 1, 2016, and serve through December 31, 2017.

The nine regional consultants serve on the ASHHRA Regional, Chapter and Member Services Committee, providing feedback on the needs and desires of the regions to the ASHHRA office. These consultants act as the “eyes” and “ears” of members and non-members in their region. They advocate the value of ASHHRA services and programs to regional/local chapters and develop targeted strategies to increase membership in ASHHRA. The regional consultants educate regions on the benefits of national professional awards and recognition offered by ASHHRA, and offer coaching in the preparation of award submissions. They attend regional and local chapter events, represent ASHHRA and participate in the development of products and programs. The even numbered regional consultants, currently mid-way through their term, are also listed.
