“We are excited to present such an outstanding lineup of keynote speakers at this year’s annual conference. As the health care landscape continues to evolve, so do the challenges that our members are charged with solving, and ASHHRA is here to provide the right support at the right time,” said ASHHRA Executive Director Catherine Carruth. “The ASHHRA annual conference is the perfect setting for health care HR professionals to come together as a community and exchange knowledge, best practices and expertise. It’s also the best venue to easily make lasting connections with fellow HR leaders. Our lineup of keynote speakers will provide unique perspectives, stimulate impactful dialogue and illuminate creative ideas that attendees can take with them beyond the conference.”
